Email, Mobile based and on portal Notifications

Imagination Learning System's Advantage:

- ◆ Founded by learning specialists not technologists
- ◆ Ease of integration to Legacy Systems
- ◆ Modular Architecture
- ◆ Flexible Deployment & Reporting
- ◆ Easy to Customize
- ◆ Web-Enabled
- ◆ Highly Scalable
- ◆ Lowest Total Cost of Ownership
- ◆ Proven methodologies and high quality standards to ensure predictable service offerings to clients
- ◆ Strong technical and domain expert team with very low attrition
- ◆ Powerful Code Generation tools-to ensure 40% reduction in Software Engineering Life Cycle
- ◆ End to end solutions to client with & without hosting Infrastructure
- ◆ Expertise on wide range of technologies, with rapid team mobilization
- ◆ 24 7 support for all products and projects
